

BEAGLE INU

<https://beagleinu.finance>

Welcome - Beagle INU

A BEAGLE INU is meme token. It's a currency derived from the memes community and definated for new trend of BEAGLE family. He is a hybrid of a biological BEAGLE and Inu. He is a highly developed dog whose body has been permanently supplemented with haft blood. BEAGLE INU is great hunting dog ever. He is a cybernetic organism and a technically modified genes life form and fights for the alliance to maintain the balance in the Crypto universe.
